

# MALACHI TALABI

Inspirational speaker | 2011 UK & Ireland Public Speaking Champion

## Booking Malachi [Event Organisers FAQs]

### Dear Event Organiser,

Thank you for your interest in booking me for your District, Division, or other Toastmasters or related event.

I joined Toastmasters in July 2010 (Croydon Communicators at the time) and in my first three months, I won the Humorous Speech competition at club and area level with a speech entitled, "The Laws of the Playground".

This gave me a taste for speech contests and six months later in May 2011, I was honoured to be crowned the UK and Ireland public speaking champion and to represent District 71 in Las Vegas at the world semi-finals, where I came in at third place, out of a possible 30,000+ worldwide contestants.

Since then, I have gone on to become an author, a certified World Class Speaking Coach (under Craig Valentine, 1999 World Champion of Public Speaking), and I now deliver workshops and keynotes inside and outside of Toastmasters, as well as coach speech contestants and keynote speakers.

I love to learn and grow and to share my knowledge in the process, which is why I deliver workshops at Toastmasters events.

If you would like to book me for your event, please read the Frequently Asked Questions below and then [complete the booking form](#) as soon as possible. My team and I will get back to you within 24 hours.

Many thanks,

**Malachi**

## **Booking Malachi for workshops - FAQs**

### **Is there a charge for the workshops?**

Malachi is more than happy to donate his time to Toastmasters, so the workshops are completely **free** of charge. All we ask for in return is a well-located table at the venue to provide the audience with an opportunity to invest in their speaking, and travel expenses where the location is outside London.

### **What is the timeframe of the workshops?**

The workshops range from 40 minutes to an hour, depending on your requirement for your event.

### **Can we record your workshop and use it for our website?**

Our team usually records Malachi's workshops and keynotes with our own equipment for his personal use, which we may be able to make available to you upon request. Any additional recordings and publicity must be agreed upon and approved beforehand.

### **Can you do a guest speech and a workshop on the same day?**

Yes, this is something Malachi has done before and is happy to do again.

### **Can you do a workshop or guest speech at my club?**

Unfortunately due to time constraints, Malachi is only available to do workshops and speeches at Division, District and other similar-sized events. The other exceptions are club Charter or Gala dinners or events, when time permits. If in doubt, please send an email anyway.

### **I want to buy your products in bulk for my club; can you arrange a multi-buy discount?**

Absolutely – please contact us for more details.
